Subject: Request for support in identifying youth enumerators for the 2026 Establishment Census

Dear PS,

The National Institute of Statistics of Rwanda (NISR) is preparing to conduct the 2026 Establishment Census and plans to engage qualified young people as enumerators for the field data collection.

In this regard, we kindly request the support of the Ministry of Youth and Arts in providing a list of eligible youth who could be considered for recruitment as enumerators for the 2026 Establishment Census! Please find in the attachment to this request, the number of eligible candidates by sector and the requirements to be eligible candidate. We would appreciate receiving the list of eligible candidates by 18th **September 2026** to facilitate timely planning and coordination of the recruitment tests which are planned to start on the 4th to the 17th October 2026.

Should you require any additional information, please do not hesitate to contact **Mrs UWAYEZU Beatrice**, the Acting Director of Census Unit through her e-mail beatrice.uwayezu@statistics.gov.rw or her phone number **0785445829**.

NISR highly appreciates your support and remains available to provide any additional information that may be required.

We look forward to your support and cooperation.

Yours sincerely,

Signed By Jean Claude Mwizerwa
